

Meeting Date: July 12, 2017
Location: Broomfield Community Center
Facilitator: Shelby Skumanich
Number Present: 11 members and one visitor

General Business

The guild now has an official PO Box based in Westminster. The box includes a street address so that items can be delivered to the PO Box rather than to individuals. Thanks to Shelby and Jonna for making this happen.

Shelby is creating a full Google Suite account for the guild. All guild documents will be stored on the drive, making it easier to transfer items from one board member to another. More details to come.

Thanks to everyone who brought an item for the White Elephant swap!

Revised Bylaws

- Julie reviewed changes the board recommends to the guild's official bylaws.
- Members will be asked to vote on the changes. A link will be sent with the July Business Meeting email update.

DMMQG "How New is Modern?" Quilt Show

- Shelby and Jonna are working to create an official website for the show. A link will be showcased on the guild website.
- Kari has created a terrific logo for the show. The logo will be used on all promotional materials.
- Shelby was interviewed by a reporter from 5280 magazine.
- Julie Elliot will lead the effort for show promotion. Please let Julie know if you'd like to help.

Location/Education Committee Update

- Sew Days
 - Erin is working with Colorado Fabrics to schedule Sew Days for the remainder of the year.

Guild Outing

Nine members are planning to attend the August 5 production of *Taming of the Shrew*, a Shakespeare in the Park event at CU. There is room for more members to participate so please see Mary if you're interested.

Upcoming Programs

- August Business Meeting
 - All guild members are asked to bring your first or an early quilt to show for the *Quilt Throwback*. A quilt with special meaning is also an option. Plan on talking about why you love the quilt or how far you've come since you first started quilting.
 - The meeting is scheduled for August 9th at [Fancy Tiger Crafts](#).
